DETAILED ACTION

1. This office action is in response to communication filed on 07/27/2007.

Claims 1-4 are cancelled and claims 5- 43 are now pending on this application.

2. Applicant's amendment overcomes the following objection/rejection of the last

Office Action:

a. Objection to the claim 14 for informalities

Allowable Subject Matter

1. Claims 5 – 43 are allowed.

2. The following is an examiner's statement of reasons for allowance:

The following is an examiner's statement of reasons for allowance: claims 5-43. are allowed because the reference cited fail to teach, as applicant has, an ultra-wideband receiver comprising a primary delay to reproduce a predetermined primary lag interval of one or more transmitted pulse pair, and one or more secondary delays to produce one or more non-zero lag intervals, where a plurality of pulse multipliers and finite integrators designed to generate a plurality of data values indicative of a second order statistical function of said received pulse pairs from primary and at the one or more secondary delays are matched to a plurality of second order statistical values of a

predetermined reference pulse to determine an output signal indicative of encoded information, as the applicant has claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
